Nirwan University Jaipur

Nirwan University Jaipur (NUJ) is established by the Govt. of Rajasthan vide ACT No. 2 of 2017 and recognized U/s 2 (f) of UGC ACT 1956. The University has been empowered to award degrees under section 22 of UGC Act. The Nirwan University is a multidisciplinary university and situated in Jaipur, the capital of Rajasthan. It has been promoted by the "Nirwan Charitable Trust". It is one of the most preferred institution for higher education among students. The NUJ is committed to teaching and research in the areas of defence and security studies, social sciences, criminal justice, public safety, cyber security, and related domains that seeks to address the challenges of the global security concerns. In this pursuit this University is a blending ground for academia, practitioners and industry. The global scenario is replete with issues related to security, criminal justice, cybercrime and cyber terrorism, road safety, gender sensitization issues and other related domains. NUJ is doing ground breaking work in some of the above-mentioned fields and is bridging the hiatus by bringing policy makers, academicians, researchers, social scientist, lawyers and security professionals together to focus on pivotal issues.

Knowledge and insight for professional goals

The university offers a curriculum that is relevant to students' professional goals and prepares them for the world of work.

Safe and secure campus

The NUJ provides a safe and secure environment where student can learn and grow to his/her full potential in an extremely conducive ambience.

Holistic growth of the students

The diverse yet flexible curriculum provides holistic growth of the Professionals as envisioned by NUJ.

Profound quest for learning

The university focuses on inculcating a profound quest for learning and commitment to excellence and perfection among the learners.

Centre for Defence and Security Studies (CDSS)-

Centre for Defence and Security Studies (CDSS) is a part of Nirwan University Jaipur. It deals with executive education and research on the issues concerning internal security, counter-terrorism, countering violent extremism, left-wing extremism, border security and strategic affairs with the aim to facilitate the policy makers to improve national security. The Centre is committed to contribute to the dissemination of practical ideas for peace building as well as to analyze the social, cultural and political relationship that of result in India's security challenges.

Master of Arts in Defense and Security Studies-

It is an innovative and highly specialized offering for the working professionals in central and state police organizations, civil services, international organizations, media, NGOs as well as fresh graduates having interest in security. It has been designed for those looking to enhance their knowledge of the complexities of the ever-evolving global environment. The program offers an interactive, collaborative learning environment that fosters the development of skills and techniques as well as inculcates sensitivity to issues of global security.

Career opportunities

The world is experiencing multiple challenges to security such as religious tensions, terrorism, and social upheavals threatening security and stability. This international environment creates a need for specialists who can provide advice to governments, humanitarian groups, and such other organizations. The MA program in Defense and Security Studies is ideal for students seeking work with governmental departments, security organizations, Defence agencies, intergovernmental organizations, NGOs, think tanks or media houses. This program is also recommended to students planning to pursue their Ph.D. from abroad.
